Github: <https://github.com/LeManhBin/>

Portfolio: <https://manhbin-portfolio.vercel.app/>

## SUMMARY

- My career objective is to become a proficient front-end developer and then a full-stack developer. I am looking for an opportunity to participate in a responsive, scalable, and widely-used software development project to enhance my skills and knowledge in the areas of software and web development.
- I used to work as a web developer, so I hope with the accumulated knowledge and experience I can make a small contribution to the development of the company.

## EDUCATION

### DUY TAN UNIVERSITY

GPA: 3.43/4.0

08/2019 – 07/2023
